Control of Foreign Exchange. Revised and modified instructions to dealers in foreign exchange

Notice to Banks No. 2 dated the 6th October 1939 issued by the Reserve Bank of India Central Office Bombay —

This notice puts in more permanent form (with some modifications) the changes in the original Notice to Banks which were intimated to authorised dealers informally on 18th September 1939 and subsequently

As has been notified to banks currencies of all Empire countries excepting Canada Newfoundland and Hongkong may be dealt with on the same basis as sterling. For the sake of convenience the terms "Empire" and "non-Empire" are used throughout this memorandum. For this purpose "Empire" means the whole of the British Empire except Canada Newfoundland and Hongkong; "non-Empire" means all other foreign countries but includes Canada Newfoundland and Hongkong.

(The references to paragraphs etc. relate to the [illegible] of the 4th September 1939.)

For the existing Part II substitute the following —

(a) Purchases and sales of Empire currencies from and to other authorised dealers banks and the public in India and Burma are to other Empire countries may be made freely subject to the following exception —

Part II Purchases and sales of sterling

The negotiation or collection of sterling bills drawn on non-Empire countries (reimbursable by D. D. or T. T. on London) is prohibited

In order to avoid unnecessary dislocation of business such bills may be purchased for the present on obtaining permission from the Reserve Bank of India. In future such bills should be drawn in the currency of the non-Empire centre concerned or if in sterling should be drawn on London.

The above prohibition does not apply to bills drawn on Canada reimbursable by D. D. or T. T. on London which may continue to be drawn in respect of exports from India of goods, *e.g.*, tea, to that country.

Notes.—(i) For the present bills drawn on London in respect of shipments from India to non-Empire countries may safely be negotiated as usual whether drawn under credits or not.

(ii) Authorised dealers should inform their foreign branches and correspondents that all credits opened subsequent to 31st October, 1939, covering shipments from India to non-Empire countries and providing for sterling drafts drawn on London must bear a clause certifying that the credits have been registered with the London Exchange Control.

(iii) In all cases the authorised dealers must be satisfied that the bills they negotiate do not relate to contraband or to trading with the enemy.

(iv) As regards export bills to the U. S. A., the Reserve Bank does not wish to interfere unnecessarily with the normal method of finance by means of sterling bills on London. It may, however, be necessary in the future to restrict the use of sterling bills on London for this purpose and it is therefore suggested that authorised dealers should advise shippers that, where they can do so without unduly dislocating their business, they should arrange for bills to be drawn in U. S. A. dollars.

(*b*) Sales of sterling to *non-Empire branches and correspondents* by authorised dealers in remittance of rupee balances of such branches and correspondents are permitted.

(*c*) Purchases of sterling from non-Empire branches and correspondents by authorised dealers in order to credit rupees to the accounts of such branches and correspondents are prohibited. Such branches and correspondents desiring to lay down rupees in India against sterling must purchase the rupees in the London market.

Note.—All transactions in sterling are subject to the prohibition of trading with the enemy and to the keeping of records as intimated to authorised dealers in the memorandum of procedure dated the 4th September, 1939.

(*a*) Purchases by Authorised Dealers.

For the existing sub-para. (*a*) substitute the following:—

Purchases of non-Empire currency from other authorised dealers, banks and the public in India and Burma and other Empire countries may be made freely against rupees.

Part I Purch and Sa foreign rency than ling.

Note.—For the purchase of non-Empire currency in London against sterling (in cover of sales to merchants etc., as permitted by this Exchange Control) the prior permission of the Reserve Bank

must be obtained on Form A 8* (submitted in duplicate) and the fact that permission has been obtained must be indicated in the request to London

Purchases of non Empire currency from non Empire branches and correspondents against rupees may be made only at rates based on the London fixed rates and only if authorised dealers are satisfied that the transaction is for genuine trade purposes Such transactions must be reported in Form D 2* In the case of purchases of U S $50 000 or over from non Empire branches and correspondents the transaction must be reported specially to the Reserve Bank

Records of all purchases of non Empire currency must be kept so that returns for particular periods or of balances at particular dates can be supplied quickly if called for

(f) Sales by authorised dealers

This para is unchanged Authorised dealers [illegible] that they are not permitted to sell non Empire currency to any person or firm or bank or company outside India or Burma But if an authorised dealer is overbought in one non Empire currency and oversold in another he may adjust his position with the permission of the Reserve Bank If an authorised dealer becomes overbought in any non Empire currency and cannot cover his position by a sale to another authorised dealer in India or Burma he may sell the non Empire currency in the London Control market reporting the sale by a brief letter to the Reserve Bank

Yen

As an exception to the above rules authorised dealers in India or Burma are permitted to obtain cover for their purchases or sales of yen in this market by means of sales or purchases of sterling in Japan without prior reference to the Reserve Bank

rt IV action sterling in other rencies

The procedure outlined in this part is unchanged but in future in order to facilitate the obtaining of cover in non Empire currencies in London the Reserve Bank will on application and after scrutiny stamp as approved any forms A 6* which may be submitted to them by authorised dealers This procedure will enable authorised dealers to quote in their telegrams to London in the case of T T s that the approval of the Reserve Bank has been obtained in the case of mail transfers the Form A 6* should be forwarded to London with the relative draft to be used in support of the application for exchange

In the case of regular remittances authorised dealers will find it convenient to request their London correspondents to make standing arrangements with the London Control authorities if possible

Part V Miscellaneous

This is unchanged but the following additional points must be noted

Para (2) *Forward facilities* —In the case of forward transactions for trade requirements such as imports and exports every endeavour will be made to avoid interference with the completion of contracts but in granting the forward facilities authorised dealers must bear in mind the possibility envisaged in para (b) (iii) of Part III of

* Not reproduced here

Notice to Banks) that imports may be licensed in the future and that freight or other restrictions may interfere with exports.

Exchange either spot or forward must not be given for the purpose of facilitating the carrying of positions in commodities unless the detailed proposals have first been placed before the Reserve Bank by the person requiring the exchange. The Reserve Bank will not approve such facilities but they may say in suitable cases that they have no objection to authorised dealers granting them at their own risk. The completion of such contracts will be considered in the light of conditions ruling at the time when the contracts mature.

In any case authorised dealers can expect no assistance from the Reserve Bank if they allow themselves or their non-Empire branches or correspondents to become heavily overbought or oversold in any non-Empire currency against rupees.

In addition authorised dealers are advised that they should not grant overdrafts in rupees (whether secured or not) to their non-Empire branches and correspondents except for temporary purposes and up to a limit of Rs. 50,000.

Authorised dealers must satisfy themselves that they do not enable their branches and correspondents to grant to persons or firms in India forward facilities which would be prohibited if extended in this market.

Para. (*4*).—Rupee transfers to non-Empire accounts.

As regards non-Empire accounts which are not accounts of bank branches or banking correspondents, the existing paragraph applies [subject to the procedure which has been prescribed for taking a letter of undertaking (Q. A. 22) from non-Empire concerns instead of Form A. 7* in suitable cases; this letter Q. A. 22 should not however be used for bank accounts without reference to the Reserve Bank.]

In the case of the rupee accounts of non-Empire bank branches and banker correspondents the following procedure should be followed:—

Transfers or payments from a domestic Indian† source to such accounts must be reported to the Reserve Bank on Form A. 7* (except when the transfers or payments represent the proceeds of the collection of rupee bills).

Transfers or payments in rupees from the accounts of such branches and correspondents may be made freely to the accounts of similar non-Empire branches and correspondents without any report to the Reserve Bank of India. Thus transfers from one branch or correspondent's account to the same branch or correspondent's account with another bank in India may be passed without any report.

Transfers or payments from the accounts of non-Empire branches and correspondents to the accounts of persons and firms in India should be carefully scrutinised and should not be passed unless the branch or correspondent has indicated that the transfer relates to a *bona fide* trade transaction or to a petty personal remittance. If it

*Not reproduced here.

† Here this term means any person resident in India or any concern trading in India whether a subsidiary of a non- Empire concern or not.

relates to a foreign exchange transaction done in a market outside India the authorised dealer must hold a guarantee from his branch or correspondent that all transactions in rupees by that branch or correspondent are put through on the basis of the London Control rates All such transfers whether deriving from an exchange transaction or not if over Rs 20 000 must be reported in Form A 7* to the Reserve Bank of India (indicating that details will be supplied later on receipt of the advice mentioned below)

Non Empire branches and correspondents are required to send to their Indian Agents by the first mail after execution a list of all their sales of rupees in excess of Rs 20 000 with the nature of each transaction indicated and the rate of exchange These lists should be submitted to the Reserve Bank promptly on receipt and should bear the date on which the rupee transfers were effected to enable them to be verified with the returns in Form A 7* submitted at the time of the transfer

Non Empire branches and correspondents should also be requested to send by the first mail lists of their forward purchases of rupees giving —

(i) the name of the party selling rupees
(ii) the rate
(iii) the purpose and
(iv) the name of the party receiving the proceeds

The above is the procedure to be followed in the future Any branch or correspondent which does not comply regularly with the above requirements will be liable to have the rupee transactions on account of its foreign exchange business stopped

Note —In order to clear up the existing position the following procedure is suggested with a view to avoiding difficulties in obtaining permission for transfers and payments of rupees —

All non Empire branches and correspondents should be asked to forward a list of all rupee sales in excess of Rs 20 000 which were—

(i) outstanding on 4th September and have not since be[en] completed

(ii) outstanding and contracted between 4th September an[d] 18th September and which have not been since com[-]pleted

The authorised dealers may pass any transfers coming under [a]bove heads and for this purpose shall require their non Em[pire] branches and correspondents to indicate in their cables whether tr[ans]fers relate to business done—

(1) pre 18th September (may be called old)
(2) post 18th September (may be called new)

*Not reproduced here

and this shall be indicated in Form A. 7* which shall be submitted at the time of payment in respect of payment or transfers in excess of Rs. 20,000. All these transfers will be checked off subsequently with the lists submitted on behalf of non-Empire correspondents.

All foreign exchange business must be done on the basis of the rates of exchange fixed in London and authorised dealers should obtain a guarantee from their non-Empire branches and correspondents that the latter will observe these rules as regards rupee transactions. If they are not satisfied on this point authorised dealers must refuse to do business in rupee for their non-Empire branches or correspondents.

If any non-Empire branch or correspondent is found to have broken or to have attempted to break any of the regulations in force here, his name will be 'black-listed' and all rupee transfers on his account made subject to prior permission or to total prohibition; such penalty may extend to the Indian branch also in cases where a non-Empire branch of a bank having an office in India is the offender.

Notification summarising certain financial provisions of the Defence of India Rules.

Notification No. 29, dated Bombay, the 13th December, 1939, issued by the Reservse Bank of India, Central Office, Bombay:—

Rule 91 of the Defence of India Rules states *inter alia* that no persons resident in British India shall acquire any foreign exchange, or transfer rupees, gold coin or bullion or securities with a view, directly or indirectly, to the acquisition of any foreign exchange. It also states that no person shall buy or borrow from or sell or lend to, any person not authorised by the Reserve Bank of India in this behalf any foreign exchange, gold coin or bullion. Rule 93 states that no person shall acquire any securities from a person not resident in India or Burma except with the permission of the Reserve Bank of India. Persons resident in British India who have holdings of foreign securities or of foreign exchange in the form of foreign balances are therefore prohibited from making any transfers (by sale, mortgage, pledge, etc.) of any foreign securities, from acquiring further securities from a person not resident in India or from operating on any account held in a foreign currency except with the permission of the Reserve Bank of India.

The attention of holders of foreign securities and of foreign currency balances is drawn to the severe penalty that is attached to the contravention of any of the provisions of these rules, *viz.*, imprisonment up to 5 years and liability to fine.

2. 'Foreign exchange' as defined in Rule 91 (1) means any currency other than currency which is legal tender in British India or Burma, and Rules 91 to 95 therefore apply to all currencies except the rupee. General permission has been granted by the Reserve Bank of India to persons to operate on their accounts and to transact business in securities expressed payable in sterling (including the sterling currencies of British Dominions, Protectorates and Crown Colonies), and certain other Empire currencies.

3. As regards other currencies the Reserve Bank of India is also prepared to grant permission for persons to sell holdings of securities, to purchase securities out of the sale proceeds of other securities or out of balances of such currencies and also in certain cases to operate on current accounts in such currencies, provided that it is kept informed of the amount of such transactions and that operations are confined to transactions authorised by it.

4. For this purpose, it has prescribed the following procedure:—

A licence can be obtained from any branch of the Reserve Bank of India on applicants filling in a form stating the amount of their foreign balances, the banks with which the balances are held and the particulars of their holdings of foreign securities together with a statement of any loans or overdrafts they may have taken against their foreign securities. It should be noted that the issue of such a licence

does not give the holder free permission to buy or sell foreign securities or to operate on his account but gives him the right to apply for permission to the Reserve Bank to effect any of the above mentioned transactions Permission to effect transactions either in securities or on current accounts will only be granted to licence holders

5 Licence holders who are buying or selling foreign securities or operating on a foreign account through the medium of authorised dealers in foreign exchange in India may apply for permission to effect any of these transactions through the medium of their bankers Licence holders operating in foreign markets through banks or brokers there should apply for permission to the Reserve Bank of India direct

Invitation of Prize Court claims

Press Note dated the 11th December 1939 issued by the Government of India in the Department of Commerce —

The Central Government has received information that proceedings have been instituted in the Prize Court at Freetown Sierra Leone against the S S Ehrenfels and the goods laden therein by a writ served on the 13th November 1939. Persons interested in the goods are accordingly advised to give to the Attorney General Freetown Sierra Leone immediate notice of their intention to present claims and to forward to him without delay their formal applications giving particulars of their interest. The attention of such persons is in this connection drawn to rule 1 of Order III of the Prize Court Rules published in the Gazette of India Extraordinary of the 20th September 1939.

Continuance of business of Allianz-Und-Stuttgarter Life Insurance Bank, Ltd.

Notification No. 288-O.R./39, dated the 14th December, 1939, issued by the Government of India in the Defence Co-ordination Department.

Whereas it appears to the Central Government that the control and management of the Allianz Und Stuttgarter Life Insurance Bank Ltd., being an enemy firm as defined in rule 103 of the Defence of India Rules, has been so affected by the state of war as to prejudice the effective continuance of its business in British India, and that it is in the public interest that the said business should be carried on:

Now, therefore, in exercise of the powers conferred by sub-rule (*1*) of rule 113A of the Defence of India Rules, the Central Government is pleased to authorise Messrs. A. F. Ferguson and Company, Chartered Accountants of Bombay, to carry on the said business:

Provided that the said Ferguson and Company—

(i) shall, in the management of the said business, be accountable to the Central Government, and be subject to the superintendence, direction and control of the Central Government, and

(ii) shall not effect any new contracts of life insurance.

Cargoes on enemy ships in neutral ports.

Press Note, dated the 15th December, 1939, issued by the Government of India, in the Department of Commerce:—

In a Press Note published on the 2nd December, 1939, it was stated that certain negotiations were proceeding for the recovery of cargoes on enemy ships which had taken refuge in neutral ports. The negotiations referred to, which are still proceeding, were those undertaken by the London Chamber of Commerce, who, on behalf of all the cargo owners in the United Kingdom, had been given leave to approach the enemy ship-owners concerned for the release of goods on board enemy-ships sheltering in neutral ports. The

Central Government have been advised that the London Chamber of Commerce are prepared to extend these negotiations to cover all cargo owners in the Empire including those in India, and that if they do so they might be able to reach an agreement with German ship owners for the release of the cargoes on certain terms The Central Government consider that such terms being uniformly applicable to cargoes owned by all Empire owners are more likely to be advantageous to all concerned than if each cargo owner undertook independent action, also that since the cargoes are lying in ports in several different countries the course of negotiations is likely to be facilitated if on each side there is only one negotiating party The offer made by the London Chamber of Commerce has therefore been accepted A necessary condition of the offer was that Indian cargo owners should not undertake any private negotiations for the recovery of their cargoes since such negotiations would inevitably have a harmful effect on the negotiations conducted by the Chamber It was because of this consideration that the Central Government cancelled their Notification of the 4th November 1939

The negotiations undertaken by the London Chamber of Commerce relate merely to the conditions and terms of release of the goods and when these are settled separate arrangements will have to be made by Indian cargo owners for paying the necessary charges to the enemy ship owners and for taking delivery of the goods A revised Notification in substitution of the one of the 4th November, 1939 will accordingly be issued as soon as the Central Government receive information that the negotiations conducted by the London Chamber of Commerce have been completed Meanwhile however in order to prevent delay later on every cargo owner in India is advised to forward full particulars of his claim to the British Consul at the neutral port where the enemy ship carrying his goods has taken shelter

TRADING WITH THE ENEMY AND THE CONTROL OF ENEMY PROPERTY

Addition of rules 81-A and 81-B to the Defence of India Rules.

Notification No 334/O.R.'40, dated the 17th February, 1940, issued by the Government of India, in the Defence Co-ordination Department:—

In exercise of the powers conferred by section 2 of the Defence of India Act, 1939 (XXXV of 1939), the Central Government is pleased to direct that the following further amendment shall be made in the Defence of India Rules, namely:—

After rule 81 of the said Rules, the following rules shall be inserted in Part XII, namely:—

"81A. *Definitions.*—(*1*) In rule 81B, unless there is anything repugnant in the subject or context,—

(*a*) "Enemy" and "enemy subject" have the meanings respectively assigned to them by rules 97 and 103;

(*b*) "Design", "invention", "patent" and "patentee" have the meanings assigned to them by section 2 of the Indian Patents and Designs Act, 1911.

(*2*) Where a patent has been granted to any person in respect of an invention communicated to him by some other person, that other person shall, for the purposes of rule 81B be deemed to have an interest in the patent unless the contrary is proved.

81B. *Power of Central Government to grant licences under patents, or designs of enemies and enemy subjects.*—(*1*) Where—

(*a*) an enemy or an enemy subject is, or has at any time subsequent to the 2nd September 1939 been, whether alone or jointly with any other person, the proprietor of a patent or registered design, or entitled to any other interest in a patent or registered design (not being merely the interest of a licensee), and

(*b*) the Central Government is satisfied that it is expedient for securing the defence of British India or the efficient prosecution of the war or for maintaining supplies and services essential to the life of the community that the rights conferred by the patent should be exercised, or that the design should be applied, as the case may be, and that a person who is not an enemy or an enemy subject desires to exercise the said rights or apply the said design and is in a position so to do,

the Central Government may, on the application of that person, make an order granting to him a licence under the patent or for the application of the design, as the case may be, either for the whole of the residue of the term of the patent or the registration, or for such less period as the Central Government thinks fit.

(2) The power of the Central Government under this rule to make an order granting a licence shall include the power—

(a) to make an order granting an exclusive licence

(b) to make an order granting a licence in relation to a patent or registered design notwithstanding that a licence whether exclusive or otherwise (not being an exclusive licence granted by virtue of the powers conferred by this rule) is in force in relation thereto and

(c) to make an order granting a licence on any terms that the Central Government may think expedient

(3) Where under the power conferred by this rule the Central Government makes an order granting a licence in relation to a patent or registered design in relation to which any other licence has been granted otherwise than by an order made under this rule, the Central Government may in relation to that other licence make such order—

(a) revoking the licence

(b) revoking or varying any conditions subject to which the licence has effect or

(c) revoking or varying any of the provisions of a contract relating to the licence in so far as they relate thereto

as appears to it to be expedient having regard to the order made under sub-rule (1)

(4) An order granting a licence under this rule shall without prejudice to any other method of enforcement operate as if it were embodied in a deed granting the licence which the patentee or the proprietor of the registered design as the case may be and all other parties having any interest therein had executed with full capacity so to do and the order shall accordingly operate to take away from any such party any right in relation thereto the exercise whereof would be inconsistent with the exercise of the licence in accordance with and subject to the terms on which it is granted

(5) A licensee under a licence granted under this rule may institute proceedings for infringement in his own name as though he were the patentee or the proprietor of the registered design as the case may be so however that any person other than an enemy who whether alone or jointly with any other person is the patentee or the registered proprietor of the registered design as the case may be shall unless the court in which the proceedings are taken thinks fit to direct otherwise be made a party to the proceedings, either—

(a) if he consents in writing thereto as a plaintiff or

(b) if he does not so consent as a defendant

Where any person is made a defendant to any proceedings by virtue of this sub-rule he shall not be liable for any costs unless he enters an appearance and takes part in the proceedings

(6) An order granting a licence under this rule shall give directions as to the person to whom or the manner in which the licensee

is to pay or deal with any royalties or other payments to be paid in respect of the licence.

(*7*) An order under this rule and a licence granted by such an order may be varied by a subsequent order made by the Central Government either:—

(*a*) where the licensee makes application to the Central Government for the variation thereof, or

(*b*) where the Central Government is of opinion that circumstances have arisen which make it just and equitable, or that it is expedient for the purposes specified in clause (*b*) of sub-rule (*1*), that it should be varied.

(*8*) An order under this rule and a licence granted by such an order may be revoked by a subsequent order made by the Central Government in any of the following cases, that is to say:—

(*a*) where the licensee makes application to the Central Government for the revocation thereof;

(*b*) where it appears to the Central Government that it was obtained by any misrepresentation, whether intentional or not, or was made or granted without the Central Government's having full knowledge of the material facts;

(*c*) where the licensee has failed to comply with any term on which the licence was granted or with a direction given under sub-rule (*6*), or has failed to exercise the licence in such a manner as to satisfy the reasonable requirements of the public in relation to the invention or registered design, as the case may be, or has charged unreasonable or excessive prices in respect of anything made or done in the exercise of the licence; or

(*d*) where the Central Government is of opinion that circumstances have arisen which make it just and equitable, or that it is expedient for the purposes specified in clause (*b*) of sub-rule (*1*), that it should be revoked.

(*9*) Any licence granted under this rule may provide that the licensee may, subject to such conditions as may be imposed by the Central Government, adopt the name used by the patentee for describing or denoting the article or substance manufactured under the patent.

(*10*) The fee to be paid on an application under this rule for an order—

(*a*) granting a licence,

(*b*) revoking any licence,

(*c*) revoking or varying any conditions subject to which any licence has effect, or

(*d*) revoking or varying any of the provisions of a contract relating to any licence in so far as they relate thereto,

shall be rupees twenty in respect of each patent or registered design.

84C *Effect of wrong decision as to enemy character*—No order made by the Central Government under rule 84B shall be held to be invalid by reason only that any decision made for the purposes of the order that a particular person is an enemy or an enemy subject is wrong

Rule (1). Read 'Rules 7, 7 (A) and 8' for the words 'Rules 7 and 8', occurring in this rule.

Add the following as Rule 7(A) after existing Rule 7.—

"*Rule 7-A.*—The purchasing officer shall obtain by indent on the India Store Department, London, all articles not produced in India and required to be purchased for the public service, stocks of which are not available in the country or could not be made available within the time such articles are required to be brought into service.

In all such cases the purchasing officer shall, before forwarding the indent, place on record his reasons for not effecting the purchase in accordance with the preceding rules and also sign on the indent a certificate in the following form:—"

"I certify that from enquiries made I am satisfied that the article/articles included in this indent is/are not at present available in stock in India and cannot be made available within the time such articles are required to be brought into service.

Purchasing Officer".
